JAILS - Establishment - Arputhaswamy, Sri R. - Temporary packing Supervisor, Quinine Section - Central Jail, Coimbatore - Exemption from the possession of minimum general educational qualification.

- - -

From the Inspector-General of Prisons, No. 1497-B.2/47,
dated 21st November 1947.

The Inspector - General of Prisons has submitted for orders a petition from Sri R. Arputhaswamy packing supervisor in Quinine Section, Central Jail, Coimbatore appointed under the emergency provisions, in which the petitioner has requested that the scale of pay of the post of packing supervisor held by him may be revised from Rs.33-55 to 45-90 per mensem and (2) that the minimum general education qualification prescribed for the post of packing supervisor may be removed so as to render him eligible for appointment as packing supervisor.

2. Revision of the scale of pay of the post of packing supervisor:

There is only one post of packing supervisor in the Madras Jail subordinate Service. The qualification prescribed for the post is the minimum general educational qualification as in the case of lower division clerk in the Madras Ministerial Service. The scales of pay of the posts of packing supervisor and lower division clerk are as follows:--

	<u>Previous Scale.</u>	<u>Revised Scale</u> <u>Sanction in 1947</u>
Packing supervisor	Rs.30-3/2-45-2/2-55.	35-1-55
Lower Division Clerk	- do -	45-3-60-2-90.

It is not known why a lower scale was fixed for the post of packing supervisor during the recent revision. The Inspector-General states that the post of packing supervisor in the Jail General Department carries greater responsibility and that a packing supervisor has to furnish a security deposit of Rs.500/- whereas a lower division clerk in Jail Department has to furnish only a security of Rs.250/-. Taking into consideration the qualification prescribed for the two posts, the responsibility attached to the posts and the security deposit fixed for the posts, the Inspector-General requests that the scale of pay of the post may be revised to bring it on par with that of the lower division clerk. For orders whether this department may support the proposal of the Inspector-General. If so, the remarks of the Finance Department may be invited.

3. Removal of qualification:

Appointment to the post of packing supervisor is by direct recruitment or promotion from any other post in the service carrying a lower rate of pay or transfer from any other service. The qualification prescribed for recruitment to the post is minimum general educational qualification. The petitioner does not possess the qualification prescribed. Hence his request that the qualification prescribed may be removed. The Inspector-General has requested that in view of the fact that the petitioner possesses good previous experience as packing supervisor and in view of his war service the petitioner may be exempted from possession of the minimum general educational qualification.

From the statement showing the particulars of services of the petitioner, it is seen that he was first appointed as packing supervisor on 16-4-46, in the Central Jail, Coimbatore, that his services were terminated with effect from 14-1-47 A.N. for want of the prescribed educational qualification and that he was reappointed on 9-8-47 temporarily. No difficulty in securing qualified hands is represented by the Inspector General. Under G.O. No. 493, Public (Services) dated 11-2-44 relaxation of rules should be restricted to cases of undoubted hardship caused to individual officers by a strict application of the rules. Honourable Prime Minister has minuted that though there might have been some justification for relaxation in war time there is no further need for such relaxation of rules in future except in very exceptional cases and that Government should be more strict in agreeing to relaxation of rules in future. No hardship is represented in this case. Usually persons who have appeared for the S.S.L.C. examination but have failed to secure the required number of marks and who have been in service for long and whose promotion or appointment to regular posts is blocked for want of qualification are exempted in exceptional cases. In the present case, it does not appear that the petitioner has attended high school classes even. For petitioner has attended high school classes even. For orders whether the request for exemption may be negatived.

4. The file may be sent to Finance for remarks.

FINANCE EL.

The Inspector General of Prisons has recommended that (1) the scale of pay of the Post of packing Supervisor in the Quinine Section Central Jail, Coimbatore may be revised from Rs.35-1-55 to Rs.45-3--60-2-90 and (2) the minimum general educational qualification prescribed for the packing supervisor may be removed so as to render the existing holder of the post eligible for appointment as packing supervisor. The Home Department propose to accept the Inspector-General's proposal in item (1) above and the proposal in item (2) above.

Item (2) above Exemption. : This department may agree with the views of Home Department (at Y on pp 2-3 above) that the request be negatived.

Item (1) above. In the circumstances explained in para 2 on pp-1-2 above, it seems desirable to revise the scale of pay of the Packing Supervisor on a par with that of Lower Division Clerks, in the case of men possessing minimum general educational qualifications. For orders, the revised scale already sanctioned may perhaps stand.

On receipt of a copy of the orders in this case together with relevant extracts of note, steps will be taken to amend G.O.78 Finance dated 6-2-47.
